TERMS AND CONDITION

- i. A Self Help Group may be defined as "A development group for the poor and marginalized categories of society recognized by the government, not requiring any formal registration and built with the purpose of building the functional capacity of the poor and marginalized in the areas of employment and income generation where members are responsible for their own future".
- ii. The group is taken as the smallest unit of social change and empowerment, set criteria have to be followed for enrolling members.
- iii. As a group, their role as members, group leaders or sub-committee members and for their individual capacity building of empowerment.
- iv. SHGs are formed encouraged to develop their own norms governing membership, group savings, roles and responsibilities of office bearers, group meetings, group ,management and management of savings, group bank account and loans to SHG members, book-keeping and measures like withdrawal of membership, disqualification, penalty etc.
- v. The essential steps to be followed in group formation are identification of members that have commonness of need, purpose and a willingness to congregate to discuss and identify possibilities of effective address of issues. Contiguity of location almost always remains as the non-negotiable of this process - close proximity, same ward, or lane are usually taken as contiguity.
- vi. SHGs are constituted by 10 to 20 women or men coming together to improve their life through common activities.
- vii. The norms are the following dimensions, also called as Pancha Suthras:-
 - Regular Group savings
 - Regular Meetings.
 - Maintenance of books of accounts
 - Maintenance of records relating to resolution (includes meetings, financial behaviour decision on loans group pass book, etc).
 - Internal lending and recoveries.
